Core Principle 18 of section 5(d) of the Act: *ANTITRUST CONSIDERATIONS—Unless necessary or appropriate to achieve the purposes of this Act, the board of trade shall endeavor to avoid—(A) adopting any rules or taking any actions that result in any unreasonable restraints of trade; or (B) imposing any material anti-competitive burden on trading on the contract market.*

(a) *Application guidance.* An entity seeking designation as a contract market may request that the Commission consider under the provisions of section 15(b) of the Act any of the entity's rules, including trading protocols or policies, and including both operational rules and the terms or conditions of products listed for trading, at the time of designation or thereafter. The Commission intends to apply section 15(b) of the Act to its consideration of issues under this core principle in a manner consistent with that previously applied to contract markets.

(b) *Acceptable practices.* [Reserved]
